 - b) Leasehold Land is being amortized over the lease period.
3. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if, such a decline is other than temporary in the opinion of the management. Current investments are carried at lower of cost and quoted / fair value computed category-wise.
4. Assets & liabilities related to foreign currency transactions are translated at exchange rate prevailing at the end of the year. All exchange differences are recognized in the Profit and Loss Account.
5. Inventories are valued at the lower of cost and net realizable value. The cost is computed on weighted average basis. Finished Goods and Process Stock include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
6. The carrying amount of assets are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value being higher of value in use and net selling price. An impairment loss is recognized as an expense in the Profit & Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.
7. Intangible assets are recognized if future economic benefits are likely and cost of the asset can be measured reliably. The depreciable amount of an intangible asset is allocated on a systematic basis over the useful life of the asset.

8. Employee Benefits:

a. Defined Contribution Plan

Employee benefits in the form of Superannuation Fund, Provident Fund (PF) and ESI considered as defined contribution plan and the contributions are charged to the Profit and Loss Account of the year when the contribution to the respective funds are due.

b. Defined Benefit Plan

Retirement benefits in the form of Gratuity, Leave Encashment and PF (funded) are considered as defined benefit obligations and are provided for on the basis of an

Actuarial Valuation, using the projected unit credit method, as at the date of the Balance Sheet.

- c. Short term compensated absences are provided based on past experience of the leave availed.

Actuarial gain/ Losses, if any, are immediately recognized in the Profit and Loss Account.

- 9. Current Tax is the amount of tax payable on the estimated taxable income for the current year as per the provisions of Income Tax Act, 1961. Deferred Tax is recognized, subject to the consideration of prudence, on timing differences, being difference between taxable income and accounting income. Fringe Benefits Tax is determined at current applicable rates on expenses falling within the ambit of "Fringe Benefits" as defined in Income Tax Act, 1961.
- 10. Provision in respect of present obligation arising out of past events are made in Accounts when reliable estimates can be made of the amount of the obligation. Contingent Liabilities (if material) are disclosed by way of Notes to Accounts. Contingent Assets are not recognized or disclosed in Financial Statements and are included, if any, in the Directors' Report.
